V. Committee Reports:

- A. Treasurer Report – Treasurer had an emergency and not present to give a report. President stated that the Association is still solid financially. The increased membership fee brought in extra revenue. The Association currently has a Budget & Finance (B&F) committee, chaired by Duncan McGregor, which provides another set of eyes on the Association's finances by reviewing bank statements.

Discussion – General membership asked what happened to the 2006 Treasurer Report that was supposed to be posted and can the B&F committee gives a report. Bob Briar, member of the B&F committee, explained that the committee only reviews budgets. It is not responsible for preparing a Treasurer Report. The President stated that the Association currently has three different accounts: 1) Money Market, 2) General Account, & 3) Youth Account. The President's name is on all three accounts and he periodically goes to the bank to review the accounts in addition to reviewing the bank statements. As of end of July, the Money Market had \$181,771.35; the General Account had \$3,960.23; the Youth Account had \$6,711.47 for a total of \$192,443.05. The President went on to state that the Association has a problem that needs to be rectified. The Association has had a problem getting reports from the Treasurer. The Association owes the membership a Treasurer Report.

He is working closely with the National Diversity component on legislation which would trickle down to the Associations. The legislations deals with minorities, disable athletes as well as athletes from other countries. AAC will try to institute a travel grant for athletes trying to compete for the athletes. Athletes must be a member of the Georgia Association to get a travel grant.
- F. LDR – Dave Martin, the LDR Chair is in Osaka for the World Championship. The main focus has been with the Grand Prix and looking for more committee members.
- G. Youth – Inez Finch, the Youth Chair stated that a written report was provided and more detail will be given during the committee meeting. This year has been a challenging year with the increase of the membership fees. The Youth checking account is only for entry fee money. There were a few new clubs. With the increase, for the preliminary meets, there was an offset by only charging \$2. There were also travel grants available to five to the youth athletes.
- H. Officials – Art Carrington, an official addressed the membership, appealing for the members to become starters. Murray, the Official’s Chair announced Carol McGregor and Ralph Teague as the 2006 Officials of the year. He stated that we did not do a good job with low number of officials at this year’s JO Association meet.
